Competition Format and Rules

Formato y reglas de la competencia / Format et règles de compétition

As of SAT 17 SEP 2018

Youth Olympic Competition Format

There are three styles in the Wrestling competition at the Summer Youth Olympic Games Buenos Aires 2018: Men's Greco-Roman, Women's Freestyle and Men's Freestyle.

There are 10 men's events and five women's events in the Wrestling programme as follows:

Men's Greco-Roman:	Women's Freestyle:	Men's Freestyle:
45kg	43kg	48kg
51kg	49kg	55kg
60kg	57kg	65kg
71kg	65kg	80kg
92kg	73kg	110kg

The Greco-Roman and the Freestyle basically differ as follows:

- In Greco-Roman Wrestling, it is strictly forbidden to grasp the opponent below the belt line, to trip him or to use the legs actively to perform any action
- In Freestyle Wrestling, however, it is permissible to grasp the legs of the opponent to trip him and to use the legs actively to perform any action
- Double Nelsons are strictly forbidden in Women's Freestyle

There are six to ten wrestlers qualified in each of the 15 weight categories.

The competition starts with a pool phase with two groups. The wrestler who picks the lowest draw number will be placed in group A, then the second lowest draw number will be placed in group B, and so on. A round-robin format is used within each group (the Nordic tournament system is used as the ranking criterion within each group). Ranking within the groups is used to determine the pairings for the final phase. Winners of each group will compete for the gold and silver medals; second placed wrestlers will compete for the bronze medal and fourth place; the third placed wrestlers will compete for fifth and sixth place; the fourth placed wrestlers in each group will compete for seventh and eighth place; the fifth placed wrestlers in each group will compete for ninth and tenth place. In case of a single fifth wrestler in a group, he will be ranked last of his category.

If there are less than six wrestlers in a weight category, the pool phase will be run as a single group competing in a round robin format.

Each weight category is completed within a single day with the Weigh-in taking place in the morning of the competition day.

The competition comprises two phases:

- Qualification Pools (groups A&B)
- Finals

Each match has two periods of two minutes with a thirty second break. The winner is the wrestler who scored the most points at the end of the match. Evident superiority of eight points in Greco-Roman and 10 points in Freestyle automatically leads to victory. For all competitions, the timing will countdown from four minutes to zero (2 x 2mins) on the mat scoreboards.

A fall automatically stops the match in any period.

In the exceptional case that after two minutes in the first period, no wrestler has scored in Men's Freestyle and Women's Freestyle, the referee must obligatorily designate the passive wrestler.

Differences between the UWW Cadet World Championships and the Summer Youth Olympic Games

The UWW Cadet World Championships contains more competitors due to higher quotas allocated to each NOC and has different and additional weight categories. In addition, the competition format is different. A Nordic System (round-robin) format which decides the pairing for the final matches is used at the Youth Olympic Games, but in the UWW Cadet World Championships a direct elimination format is used.

Changes since the Summer Youth Olympic Games Nanjing 2014

The Women's Freestyle 40kg weight category has been added, and the quota for women has been increased.

Sport Rules and Procedures

A match may be won by:

- a) A fall
- b) By injury, withdrawal, default, disqualification of the opponent
- c) By technical superiority
- d) By points

If a wrestler executes a "grande amplitude" 5 points hold, he will be declared the winner of the match whatever the score.

In case of a tie by points the winner shall be declared by successively considering: The highest value of holds; the lowest number of cautions; and the last technical points scored.

A wrestler receiving three cautions during a match is disqualified.

Tie Break Rules

The wrestlers of each weight category will be ranked in the following manner: The number of victories determine the rank of wrestlers in each group. In case of a ranking tie (equal number of victories) there are two scenarios:

A: If two wrestlers are tied:

- Their direct fight will determine the winner (the wrestler who won against his opponent will be ranked before the other)

B: If more than two wrestlers have an equal number of victories, the ranking will be determined following these criteria:

- The last in the tied group will be classified following these criteria until only two wrestlers remain:
 1. The most classification points
 2. The most victories by "Fall"
 3. The most match victories by superiority
 4. The most technical points scored in the whole competition
 5. The fewest technical points given in the whole competition
 6. The lowest draw number

Direct match comparison between the two last tied wrestlers will not be used if more than two wrestlers have an equal number of victories.

Final Classification:

The final ranking is calculated based upon the result of each final match (1-2 / 3-4 / 5-6 / 7-8 / 9-10).

Penalties / Disqualification Rules

Each match should have a winner, as mentioned earlier, except in the case of a double disqualification.

Protests / Appeals

No protest may be lodged after the end of a match, only the result obtained on the mat counts.

On each mat a Jury of Appeal, made up of three members of the UWW Bureau, is responsible for ensuring that no serious administration, timing or scoring mistake has been made by the Refereeing Body during the match.

The coordinator of this Jury of Appeal must bring any case detected to the attention of the mat chairman and ask for its rectification before the winner of the match is declared.

Under no circumstances may the results of a match be modified.

During a match, a coach acting on behalf of his athlete, and with his agreement, is allowed to ask for one video replay (Challenge) on the public video board in case of disagreement with the Refereeing body. The match is interrupted during this review. In case of a positive outcome of the review, the score will be corrected and the team will retain the right to call for another challenge.

Officials

In all competitions, the technical officials for each match shall consist of the following Refereeing Body:

- One Referee
- One Judge
- One Mat chairman

Replacement of an official during a match is strictly prohibited, except in the case of a serious illness that is medically confirmed. In no case may two officials be of the same nationality. Furthermore, it is strictly forbidden for an official to officiate in matches involving compatriot wrestlers.
